OVERSIGHT GROUP SUBCOMMITTEE WORKSHOP

APRIL 2, 2015

Capitol Square

Level III Design & Construction

Scheme B

Subcommittee exterior comments

- Step in parapet in K options are not desired move forward with B
- Stair size looks large evaluate ways to reduce its size
- Singular plane pilaster is preferred
- Look at larger window openings at the base
- Continue to look at both glass band and punched windows at 4th floor
- Rustication height appears high at the south entry
- Explore metal brow at entry at the height of the water table
- Cross pattern on addition windows should be avoided
- More contrast in materials
